IUFoST

Strengthening Global Food Science and Technology for Humanity

The International Union of Food Science and Technology (IUFoST), a country-membership organisation, is the global voice of food science and technology. It is the only representative for the discipline of Food Science and Technology elected into the International Council for Science (ICSU). It is a voluntary, non-profit federation of national food science organisations linking the world's food scientists and technologists. IUFoST has over 300,000 members from more than 75 countries through its Adhering Bodies, and 5 regional groupings to form a pool of expert resource.

Countries from Adhering Bodies of IUFoST

Regional Groupings of IUFoST

EFFoST - The European Federation of Food Science & Technology

FIFSTA - The Federation of Institutes of Food Science & Technology of ASEAN

MENAFoST - North Africa and Middle Eastern Association of Food Science and Technology

WAAFoST - Western African Association of Food Science and Technology

ALACCTA - La Asociación Latinoamericana y del Caribe de Ciencia y Tecnología de Alimentos

Past IUFoST World Congresses

1st World Congress	1962	London, UK
2nd World Congress	1966	Warsaw, Poland
3rd World Congress	1970	Washington, USA
4th World Congress	1974	Madrid, Spain
5th World Congress	1978	Kyoto, Japan
6th World Congress	1983	Dublin, Ireland
7th World Congress	1987	Singapore
8th World Congress	1991	Toronto, Canada
9th World Congress	1995	Budapest, Hungary
10th World Congress	1999	Sydney, Australia
11th World Congress	2001	Seoul, Korea
12th World Congress	2003	Chicago, USA
13th World Congress	2006	Nantes, France
14th World Congress	2008	Shanghai, China
15th World Congress	2010	Cape Town, South Africa
16th World Congress	2012	Iguassu Falls, Brazil
17th World Congress	2014	Montreal, Canada
18th World Congress	2016	Dublin, Ireland

About

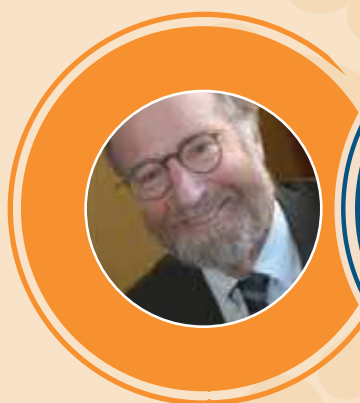

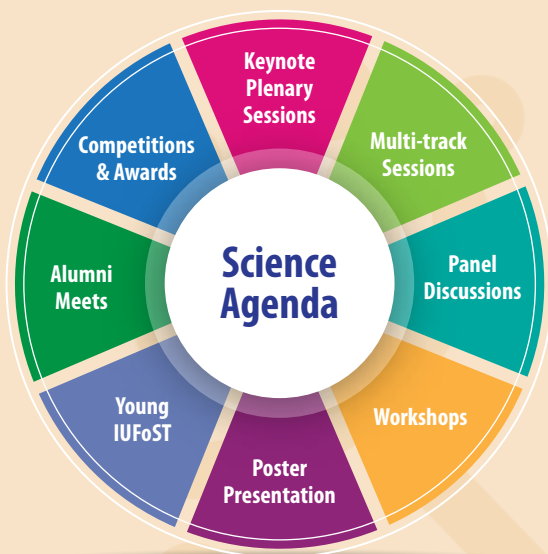

October 23 - 27, 2018

The **19th IUFOST World Congress of Food Science and Technology** will be 5 days action packed super bowl of programmes that will bring together researchers, academicians, professionals, policy makers, food scientists and industries fraternity to cover the latest advances in our understanding of food in all its manifestations like food safety, food security, regulations, innovations in food processing, hygienic design and engineering, frontier areas in food science & technology, novel food products, markets and consumer preferences and much more. IUFOST 2018 is organised by Indian National Science Academy (INSA) and The International Union of Food Science and Technology (IUFOST) along with MM Activ Sci-Tech Communications as Event & Knowledge Partner.

IUFOST 2018 India Congress Spectrum

Prof. Dr. Dietrich Knorr

President of IUFOST says...
“...congress will cover the latest advances in our understanding of food in all its manifestations like food safety, food security, regulations, innovations in food processing, hygienic design and engineering, frontier areas in food science and technology, novel food products, markets and consumer preferences and much more of the latest of cutting edge technologies in each sector...”

Dr. Lucia Anelich

Chair of Scientific Council of IUFOST Says...
“...the 5 days of the IUFOST Congress 2018 will be action-packed with Scientific Sessions, subject-focused Workshops, an exciting Exhibition and Awards and Competitions for Young Scientists. Networking opportunities for you to meet friends and make new acquaintances will be available in abundance...”

Prof. Ruth Oniang'o

President of IAFoST says...
“...this promises to be a great Congress, where cutting edge scientific innovations and research will be share with free and rich interaction between seasoned and young scientists...”

Dr. V. Prakash

Chairman of IUFOST India says...
“...another feature of the Congress, which is introduced for the first time, is the "SPECIAL ADDRESS" from renowned food scientists and technologists globally. This has made a huge difference in bringing in the experts and getting charged with their talks and move into the arena of subject area of the same as Sessions following it...”

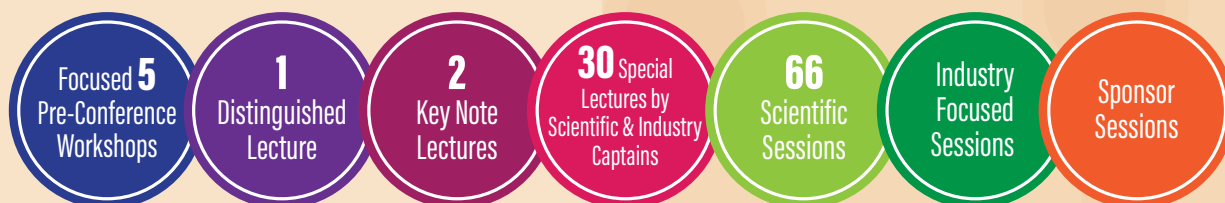

Global Scientific Conference

19th World Congress of Food Science & Technology will showcase the global developments in all the facets of food science and technology through **60 plus** parallel scientific sessions with the participation of **250 plus** speakers with rich expertise in their respective areas of specialization.

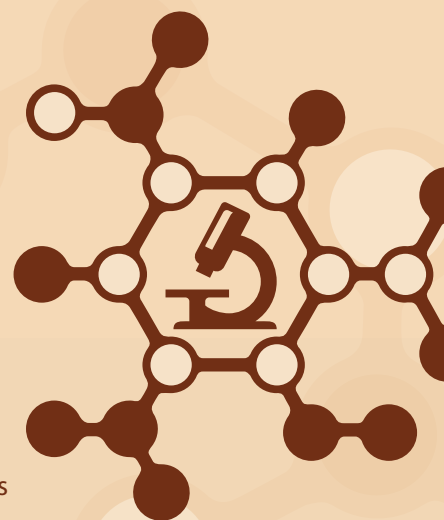

The Congress will bring together Thought Leaders, Policy Makers, Researchers, Food Fraternity and Industry Captains to cover latest advances in our understanding of Food in all its avataars.

Highlights of Conference

Scientific Themes and Topics

- ⇒ Nutritionals, Nutraceuticals and Functional Foods
- ⇒ Food Engineering
- ⇒ Traditional, Indigenous and Ethnic Foods
- ⇒ Food Chain Logistics and Food Packaging
- ⇒ Food Analysis, Food Quality and Safety
- ⇒ Chemistry and Biochemistry of Foods
- ⇒ Molecular Biology, Biotechnology and Microbiology of Foods
- ⇒ Food Composition, Nutrition, Health and Wellness
- ⇒ Value Addition to Agri. Materials Through Innovative Food Processing for cost effective Food Products
- ⇒ Sustainable Food Security, Prevention of Food Losses & Wastes and Future Foods
- ⇒ Capacity Building & Leadership, Training Informatics and Networking

Pre-Conference Workshops

- ⇒ Exploiting Internet Potential for Professional Development in Food Science and Technology
- ⇒ Validation and Verification in the Era of Changing Food Safety and Regulatory Requirements
- ⇒ Nutritionals and Nutraceuticals - Scientific Basis for Value Addition to Healthy Food Products
- ⇒ Food Engineering Paradigms for Positive Health Functionality and Impact
- ⇒ Innovation in Product Formulations through Nutri Grains [Pulses, Millets and Legumes]
- ⇒ Metrology and Food Analysis

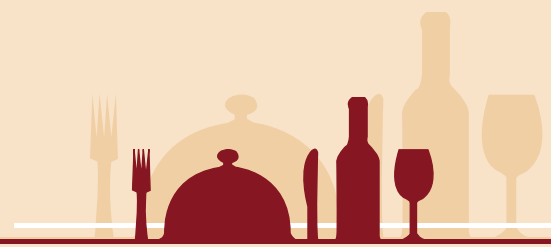

Poster Presentations

Brilliant Ideas need World's biggest Forum

Poster Presentation at IUFOST 2018 Congress provides an unique opportunity for students, researchers, academicians and Industry R&D to present their research breakthroughs in multi-facets of food science and technology for interactions with global and national scientific fraternity. The poster presentation is only for registered delegates and each registered delegate can present not more than two approved posters at the IUFOST 2018 Congress. Hurry! **Last Date to Submit Poster Abstract is May 31, 2018.**

Food Expo

The Exhibition has been structured to be an exciting market place that will offer opportunities for Showcasing Products, Technologies, Innovations and Services to over 3000 Indian & International delegates and nearly 10000 business visitors. From Top Multi National Food companies to MSMEs & Start-ups every segment of the Food Industry will be represented at the Trade show. Along with Industry Corporates that include Food processors & Equipment Manufacturers leading Public sector Companies, Boards & Corporations, Research Organizations & Educational Institutions, NGOs etc will form the core of the Exhibitors. The Exhibition will help you to promote your products, services and research to international buyers and companies, connect directly to very hard to reach top level executives, network with like-minded industry members and academic delegates, establish international strategic partnerships and support programmes and projects to increase the safety and security of the world's food supply. **In order to encourage participation from the Small & Medium Enterprises (MSMEs), IUFOST 2018 will offer special rates. Kindly write to marketing@iufost2018.com**

EDUFocus Pavilion

The EDUFocus Pavilion is a unique theme pavilion that will host leading Institutions, Academic Bodies, Universities (National & International), Research Organizations and other stakeholders associated with Education for the Food Science & Technology sector. The EDUFocus Pavilion aims at providing an excellent platform to showcase their Infrastructure & Facilities, Innovative curricula, Research collaborations, Industry interface and Alumni achievements. IUFOST 2018 Congress has generated humongous interest among the Research & Student fraternity with over 1000 posters being submitted for consideration to be displayed at the Congress. Nearly 70% of the student fraternity will be from India and the neighboring countries and The EDUFocus Pavilion will offer opportunities for the Exhibitors to network with Students, understand their requirements for higher Research and studies and showcase their offerings directly to their target audience.

Visitors Profile

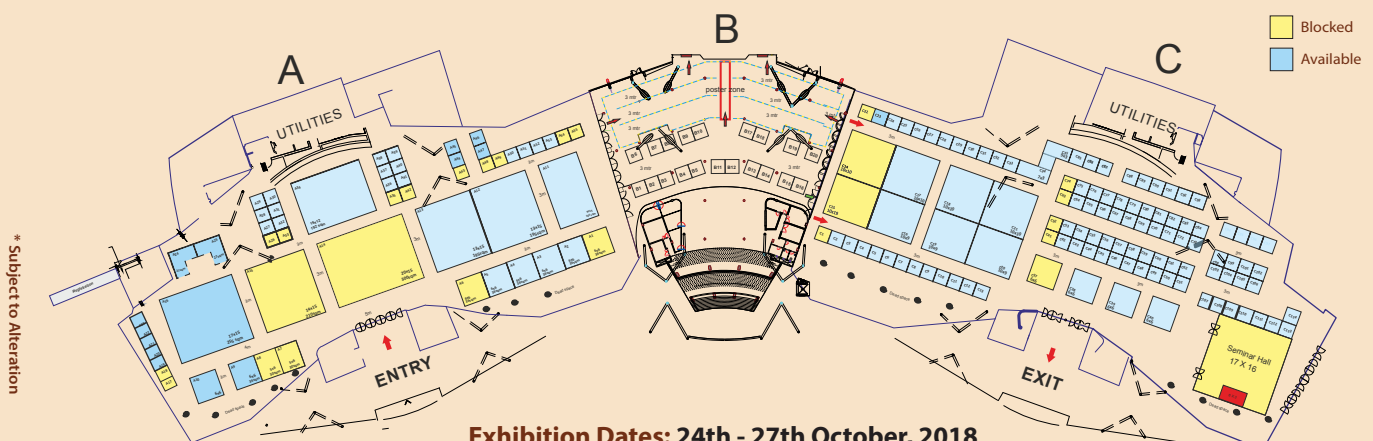

- Top leaders & Decision makers from;
- Food Sector - Industry, Research, Academia, Business & Trade
- Governments & Ministries
- Research & Educational Institutions
- Trade Bodies & Associations
- Press & Public Relations - Print, Digital, Social
- NGOs & Public Trusts.

Exhibitors Profile

- Food/Beverage Manufacturer/Processors
- Suppliers of Food Ingredients and additives
- Laboratory Equipment/Instrumentation Suppliers
- Processing Instrumentation/Equipment Suppliers
- Packaging Instrumentation/Equipment Suppliers
- Services Industry
- Wellness Industry
- State Govt. and Central Govt. and other relevant Departments
- Mega Food Parks
- Universities and Educational Institutions
- Trade Commissions, Associations, Banking Sector etc.

Exhibition Floor Plan

Exhibition Dates: 24th - 27th October, 2018

For Hall Wise Floor Plan Please visit : https://www.iufost2018.com/pdf/Floor_plan_IUFOST_2018.pdf

Networking Programmes

Inaugural Reception

Team India will be privileged to welcome all the IUFOST 2018 participants to join the Inaugural Reception. Walk through a timeline of India's rich diversity of history & culture, experience Magnetic Maharashtra through its various shades, feel the buzzing Mumbai life and a lot more!

Inaugural Reception will take place on October 24, 2018.

B2B Partnering Powered by InterlinX

interlinx^{beta} - The Online B2B Partnering Tool at IUFOST 2018 will enable & empower you to find, contact and schedule one-to-one B2B, B2G or B2R meetings or collaborate with other registered participants before and during the event.

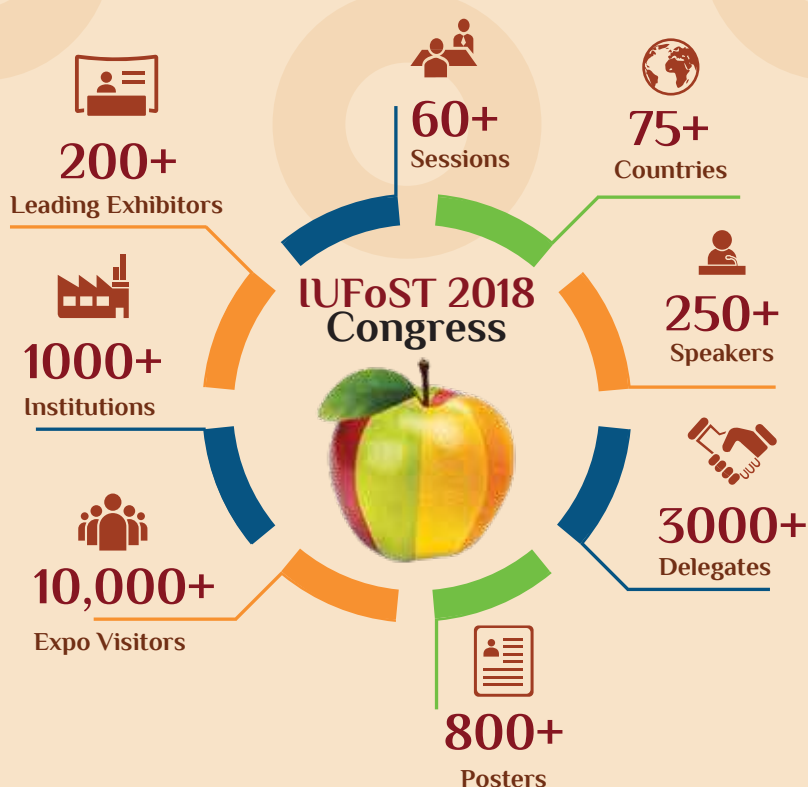

Gala Dinner

The Gala Dinner will be a celebration of IUFOST 2018 India and a major networking platform for the global Food Science & Technology community. The Gala Dinner is only for Registered Delegates with an additional ticket purchase. Enjoy multi-cuisine treats, drinks on the house, entertainment at this spectacular night.

Gala Dinner will take place on October 26, 2018.

IUFOST 2018 World Congress in Numbers

Participation Opportunities

Why Sponsor / Exhibit / Register?

- Become a Global IUFOSTian & be a part of 300,000 food scientists community
- Sponsors can reinforce thought leadership as well as gets brand visibility amongst targeted customer base
- Exhibitors can generate new leads, strategic partnerships and conduct product launches
- Delegates get access to knowledge – find out about new research & business trends
- Network with like-minded industry members and academic delegates

Register as Delegate for Conference
